

Erin Grawe

Adding to her 10 years of farming alongside her father, Erin is a natural when it comes to teaching. She has a real knack for helping the next generation make a connection with agriculture in their everyday lives. Her clever wit and educational pieces about farming create amazing memories and knowledge for families. Erin is eager to be a part of improving the future of agriculture.

“ My daughters love going to the Daluge Farm. Megan and Erin have taught them how to milk, feed calves, and about the birth of calves. They have even watched the birth of a calf a couple times. My girls love the hands-on experience that Megan and Erin allow them to have. They are always begging to go back! ”
- Katie D.

Megan Daluge

This dairy attraction is the perfect avenue for Megan to combine her two favorite things: farming and meeting new people! Her relatability allows her to build relationships and make everyone feel at home on the farm. Her enthusiasm and spirit help create a captivating experience for all age groups! Her goal is for you to leave the farm feeling connected to agriculture as you begin a new tradition to enjoy with your family.

Farm Tours
Farm Camp

Dairying to dream

Daluge Farm

is a 5th generation conventional dairy farm. We milk 140 cows and farm 170 acres of land.

Our Goals

- Provide a fun learning environment for students
- Open our home for families to create memories
- Leave with the knowledge and understanding of how agriculture impacts your everyday life

Our Mission

Daluge Farm Inc. thrives to nourish our dairy cows and provide quality milk for families. We are passionate farmers sharing our story as an authentic resource, aspiring to continue our livelihood by dairying to dream!

Farm Tours

An exciting, up close look at our daily chores that go into making the dairy products you enjoy.

Join us in exploring our day to day tasks on the farm. Experience a hands-on way of learning on the farm using all five senses!

Observe cows in their everyday routine, get your hands dirty sampling crop textures/ cow feed, take in the farm-fresh air and all of nature's scents. Hear the tractors roar and the cows snore while enjoying a tasty treat.

Farm Camp

Farm camp is for kids ages 7-12 and offers an even more in-depth look at day-to-day life on the farm. These 5-day sessions feature a new activity each day, including team building, projects to take home, and healthy treats - all while enjoying the outdoors!

Camp space is limited: visit www.dalugefarminc.org to learn more and register.
